

COMMUNITY UNDEFINING MASCULINITY WORKSHOP

In order for Violence Against Women and Girls & the social norms that support it to be tackled within our communities a Whole Community Approach is needed that includes engaging, educating and empowering the Community to become active bystanders. Action Breaks Silence recognizes the pressure boys/men face to conform to gender norms associated with masculinity and the impact this could have on their mental health and wellbeing. The Undefining Masculinity Workshop is for ALL Community members.

Violence and Abuse in the UK:

- One in three women experience abuse in their lifetime
- 61% of 18-24-year-olds feel UK society expects a man to “Man up” when faced with a challenge
- 25% of young women (aged over 13) experience physical violence and 72% experience emotional abuse in their own relationships
- 2 in 3 (67%) 18-24-year-old men believe they are pressured to display hyper-masculine behaviour
- 1 in 5 young people are exposed to physical violence
- Two women are murdered each week in the UK by their husband or partner; ex-husband or ex-partner

About Action Breaks Silence:

Action Breaks Silence is an educational charity, established to create a world free from the fear of Violence Against Women and Girls (VAWG) and the threat of such violence. To achieve this, a multi-pronged approach is adopted and actioned through the delivery of the Action Breaks Silence Community Intervention.

Our Founder and CEO, Debi Steven has worked alongside an international community of activists, academics and youth to design the Community Intervention aimed at profoundly changing the narrative on VAWG. A “Whole Schools Approach” (developed by AVA) is used to engage, educate, and empower “all members of the school’s community, including school governors, senior management, staff, students and parents” to end GBV in schools and the surrounding communities.

The Action Breaks Silence Community Intervention which tackles sexual harassment and sexual violence also includes strategies to address gender equality and unhealthy masculinity that underpin this behaviour. The design and delivery of the intervention is guided by the Social Norms and Active Bystander Theories.

Action Breaks Silence is a registered charity in the UK. Action Breaks Silence is also separately a fully recognized charity in South Africa and India. All funds raised from this workshop will enable us to continue to deliver our community interventions, free of charge, at disadvantaged Primary Schools in London. Since 2013, Action Breaks Silence has engaged, educated, and empowered over 100,000 beneficiaries.
