## About Action Breaks Silence:

Action Breaks Silence is an educational charity, established to create a world free from the fear of Violence Against Women and Girls (VAWG) and the threat of such violence. To achieve this, a multi-pronged approach is adopted and actioned through the delivery of the Action Breaks Silence Community Intervention in schools' settings.

Our Founder and CEO, Debi Steven has worked alongside an international community of activists, academics and youth to design the Community Intervention aimed at profoundly changing the narrative on VAWG. A "Whole Schools Approach" (developed by AVA) is used to engage, educate and empower "all members of the school's community, including school governors, senior management, staff, students and parents" to end VAWG in schools and the surrounding communities.

The Action Breaks Silence Community Intervention which tackles sexual harassment and sexual violence also includes strategies to address gender equality and toxic masculinity that underpin this behaviour. The design and delivery of the intervention is guided by the Social Norms and Active Bystander Theories.

Action Breaks Silence was registered as a charity in the United Kingdom in 2014 and became a recognised NPO in South Africa in January 2017. Action Breaks Silence became a registered Indian NGO in 2021. All funds raised from this workshop will enable us to continue to deliver our community interventions, free of charge, at disadvantaged Primary Schools in South Africa, as well as launching the community intervention at schools in London. Since 2013, Action Breaks Silence has engaged, educated and empowered over 100,000 beneficiaries in the UK, South Africa, India and the Dutch Antilles.

## What happens in the Workshop?

The workshop is designed to provide participants with empowerment and physical self-defence training while also undefining Masculinity and addressing the impact Patriarchy has on boys and men. The workshop is very practical both in terms of advice given and the tools that are taught. No prior experience is necessary, and all the content derives from the context of the world we live in today.
