

SCHOOLS YOUTH & PARENT / CAREGIVER EMPOWERMENT THROUGH SELF-DEFENCE WORKSHOP

The workshop is designed to include both youth and parents / caregivers. As with most things in life, violence and abuse has evolved and since parents were teenagers, much has changed. When we held focus groups in the UK, we realised how important it was to involve families. We firmly believe that if schools, Action Breaks Silence and parents join forces, we will have a significant impact on your young people's safety.

Violence in the United Kingdom:

- 1 in 5 women in the UK will be raped in their lifetime
- 9 women and girls are raped every hour of every day – approximately 85,000 per year
- Every day of the year a girl is raped at school
- 2 women are murdered by their intimate partners every week
- 31% of young women (nearly 1 in 3) young women report having experienced sexual abuse in childhood
- It is estimated that less than 15% of rapes are reported and that conviction rates for rape are far lower than for other crimes – only 5.7% of reported rape cases end in a conviction for the perpetrator
- Approximately 90% of those who are raped know the perpetrator prior to the offence.

About Action Breaks Silence:

Action Breaks Silence is an educational charity, established to create a world free from Violence Against Women and Girls (VAWG) and the threat of such violence. To achieve this, a multi-pronged approach is adopted and actioned through the delivery of the Action Breaks Silence Community Intervention in schools' settings.

Our Founder and CEO, Debi Steven has worked alongside an international community of activists, academics and youth to design the Community Intervention aimed at profoundly changing the narrative on VAWG. A "Whole Schools Approach" (developed by AVA) is used to engage, educate and empower "all members of the school's community, including school governors, senior management, staff, students and parents" to end VAWG in schools and the surrounding communities.

The Action Breaks Silence Community Intervention which tackles sexual harassment and sexual violence also includes strategies to address gender equality and unhealthy masculinity that underpin this behaviour. The design and delivery of the intervention is guided by the Social Norms and Active Bystander Theories.

Action Breaks Silence was registered as a charity in the United Kingdom in 2014 and became a recognised NPO in South Africa in January 2017. Action Breaks Silence became a registered Indian NGO in 2021. All funds raised from this workshop will enable us to continue to deliver our community interventions, free of charge, at disadvantaged Primary Schools in London. Since 2013, Action Breaks Silence has engaged, educated and empowered over 100,000 beneficiaries in the UK, South Africa, India and the Dutch Antilles.

What happens in the Empowerment Through Self-Defence Workshop?

For the first hour parents and youth will be taught separately. This gives the trainers an opportunity to really be honest with both groups in an age-appropriate way. The next section will involve learning tools and targets and finally all participants have an incredible opportunity to be 'pressure tested' by one of our highly trained and well-padded instructors. The workshop is very practical in terms of advice and physicality. No prior experience is needed.
